# Hear from our Students...

"The sense of support from the administration members towards international students is extremely wide".

Aboulaye Sylla From Ivory Coast

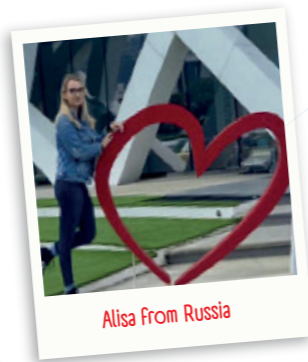

Seher and Kainat From Pakistan

"With the help of its top-notch faculty, Final gave us an experience of a lifetime."

"The teachers are really nice and the thing that I like the most is the computer technology that FIU owns"

Maguy and Pamela From DR Congo

Alisa From Russia

"The teachers are very kind and friendly, their classes are very easy and the university building is very comfortable and convenient. I am very glad that I am studying here."

"Studying at Final International University feels like a second home!"

Julia From Belarus

Sara From Morocco and Maram From Libya

"Cyprus is a peaceful place with beautiful nature, and from my first day everyone was so nice to me. FIU really feels like home!"

"I really like to study at the Final International University because there is a very good educational atmosphere, the teachers are very good and professional."

Hassan From Uzbekistan

## History of Final International University

## Global Collaborations & World Class Opportunities!

This year, FIU has teamed up with Ulster University (UK) to offer new undergraduate programs in the field of Business and Management. This new collaboration represents the superior standard of education and opportunity that FIU offers!

The joint MBA program between FIU & the highly prestigious Maltepe University in Istanbul offers tuition from both institutes, and graduates are rewarded with two diplomas!

The VATEL International Business School of Hotel & Tourism Management now has 50 campuses around the world. Their joint MBA program with FIU will open your horizons to spread over four continents!

# Top 10 reasons to choose

# FINAL INTERNATIONAL UNIVERSITY!

## Join a Young & Innovative University!

Did you know that Final International University is one of the youngest and most innovative universities in North Cyprus? FIU is part of the biggest private educational group in Turkey with 40 years experience in the education industry and over 400 schools spread throughout the country.

## Lowest Student-Teacher ratio in North Cyprus!

Did you know that FIU has the lowest student-teacher ratio compared to all other universities in North Cyprus, with one teacher for every 14 students? This means that our faculties and academic staff can provide the very best standard of education, guidance and training possible as you fast-track towards graduation and your dream career!

## Quality Education for Affordable Fees!

Did you know that FIU is dedicated to making quality education accessible for students from all around the world? FIU is a fully accredited university offering scholarships in the form of 30%, 40%, 50%, 60%, 70%, 80%, 90% and 100% available for all departments. At FIU there's an opportunity for everyone!

## Study in a Global Environment!

Did you know that FIU has a 95% international student population? Located in the prime location of Kyrenia, FIU will proudly welcome you into a young, diverse and inclusive environment where all cultures and ethnic backgrounds are equally celebrated. FIU also has the fastest expanding collaboration rate with other education providers located around the world.

## Career-Centred Internship Programs!

Did you know that FIU offers career-centred internship programs in companies around the world to make sure you'll be 'work-ready' as soon as you graduate? FIU is also part of the the DMG-Akgunler Group, which is the largest Tourism company in North Cyprus. With their support you will be sure to experience the most rewarding and beneficial internship opportunities that any North Cyprus university has to offer.

## Quality Education Assurance!

Did you know that FIU combines its high-tech modern infrastructure, and outstanding science laboratory facilities, with a superior standard of inspirational academic staff? FIU is dedicated to providing you with the education necessary to join our leading experts in your future career.

## Prime Location!

Did you know that FIU is located in the most popular city of North Cyprus! Perfect for students, the town of Girne (Kyrenia) is filled with fun social outdoor activities, cultural attractions, sports facilities, great places to eat and much more!

## Employment Guaranteed!

Did you know that FIU is the only university in North Cyprus that guarantees graduates (from selected programmes) employment as soon as you graduate? With the quality education standard that FIU academic experts provide, we fully support our statement that FIU generates the future leaders and employees!

## Home Standard Accommodation!

Did you know that FIU offers a comfortable and safe accommodation service, making students feel completely at home? With 4 different accommodation options to choose from all located within close proximity to the university, FIU makes sure you'll never be late for class with our regular free student bus service.

## Family Atmosphere & Student Clubs!

Did you know that FIU has a strong family-like atmosphere where each student is attended to with the highest level of service possible? Our friendly and professional academic and administrative staff are waiting to help you settle into your new student life and environment and join the many social and extra-curricular club activities on offer. FIU will introduce you to new friends and help you to maintain your healthy living standards with affordable and delicious home-made food and on-campus sports facilities.

## “Enjoy your new life in Kyrenia!”

FIU is located in the coastal town of Kyrenia in North Cyprus and offers stunning scenery set within a peaceful and comfortable environment. With its rich and interesting history, Kyrenia is the most popularly visited part of the island. Long summer seasons and popular indoor and outdoor activities make Kyrenia the perfect place to live and study whilst at university!

## Complete Your Application With 5 Simple Steps!

1st Step

Visit our website ([www.final.edu.tr](http://www.final.edu.tr)) and choose the program that you wish to study. Then proceed to “apply online” to submit your application; alternatively you can also contact our friendly International Office team

2nd Step

Once your application is accepted, a Conditional letter of acceptance will be emailed to you. This document provides instructions on how to make your deposit payment and secure your placement offer. Once your payment is received, an official Acceptance Letter will be sent to you within 2 working days.

3rd Step

We encourage our students to stay in the FIU accommodation, especially for their first year of study. Our International Office team will help you to reserve your accommodation. Once this is done, all that's left between you and North Cyprus is packing your luggage ready for your new student life!

4th Step

Some nationalities require a Transit Visa to travel to North Cyprus, so please check with your nearest Turkish Embassy or contact our International Office team before you book your flight!

5th Step

Our Airport Transfer team will be ready to meet you when you arrive to Ercan International airport. To make sure we get the right time and date of your arrival, please email your flight ticket to our International Office team at least 3 working days before you travel.

## Your home your choice

FIU offers a broad range of student accommodation designed to offer you a comfortable, convenient and reliable living environment at an affordable cost. Located in and around the university campus, we make sure you arrive to class on time with our free and regular student bus service!
